

Christmas Holiday forms

Thanks for getting your December care forms in! If things will be changing, please let the staff know ASAP so we can staff accordingly and even give our staff some extra time off with their families! Any requests for additional days are now subject to availability.

Have a safe and healthy Christmas season!

All rooms are expected to arrive at the centre by **9:30 daily**. **Please call the centre if you will be late or not attending – emails will not be monitored on several days during the break.**

Winter Weather

Please make sure that your child has the appropriate clothing for cold weather. Toques, mittens, snow pants and boots that are **clearly labelled** with your child's name.

All spare clothes should also be clearly labelled to help staff get the right articles in the right cubbies and to cut down on someone taking the wrong article of clothing home. Remember to return anything that you may get given or taken by mistake.

We ask when it is snowing in the morning, or if it starts snowing during the day, that you keep an eye on driving conditions and when possible, pick up your child early.

There may be times when Kid's Cottage cannot open its doors for business (if staff cannot get to the centre after a heavy snowfall). In the unlikely event that this should occur, childcare staff will inform parents as soon as possible (regarding any unscheduled closure) by leaving a message on the daycare answering machine, and on the Facebook page, as well as an email, which will inform parents of the open/closed status of the centre. Parents are encouraged to call before dropping off their child during winter driving conditions.

Please make sure that your child has the appropriate clothing and footwear for the walk to and/or from school in bad weather.
